- Is responsible for creating a unified worship experience that allows the body to enter into worship and praise, and allows the Holy Spirit to move freely.
- The Worship Pastor will oversee the maintenance and progression of sound, lighting, filming and tech.
- Will schedule worship teams for regular services, worship practices, and other special services.
- Will be responsible for some pastoring of leaders and volunteers in the worship ministries. This may include; prayer, counselling, correction, training sessions, encouragement or in certain situations asking worship members to take a break or completely step away from this ministry.
- Must have a passion for worship and regularly engage in personal times of worship.
- Ready and willing to lead worship for services and promote a culture of worship and freedom.
- Will model a Christian discipleship lifestyle, which includes but is not limited to: abstaining from; alcohol, smoking, and the use of non-prescription drugs.
- Will be in a position that supports the Senior Pastor with other ministry duties as required.

**General Young Adult Responsibilities:**

- Managing/maintaining weekly young adult small groups and monthly services.
- Managing the GC young adults' social media platforms.
- Oversee, develop, and grow the ministry to young adults by connecting and interacting with them through regular gatherings and small groups.
- Connecting our young adults to Gospel Centre church as a whole.
- Providing pastoral care and spiritual direction to young adults both in large group and individual settings.

**Qualifications:**

- The individual will be born again and spirit-filled
- Will adhere to the PAOC's statement of fundamental and essential truths
- Must be self-motivated, relational, and should enjoy leading others
- Demonstrate humility and be willing to go the extra mile to serve
- Must have a clean criminal record check
- All experience and education that is applicable to this position will be looked at

Gospel Centre Church has a strong volunteer base involved in worship and currently has a part-time sound/lighting technician and a part-time livestream technician. We run two-weekend services, one on Saturday and one on Sunday. We are looking for a passionate individual to join our team. The probable hire date is April 2024.
