Dear Parent and/or Guardian: We are excited about this year’s youth camp. We want to run a camp that is a place for youth from all different backgrounds to have a great week of meeting new friends, and meeting God in a new way. Therefore, we wanted to let you know in advance about the following behavior expectations that the youth will be informed of at the beginning of camp.

1. **Cell Phones**  Please do not bring cell phones to Youth Camp. Campers will not be allowed the use of them onsite. Cell phones brought to camp should be checked in on the first day of camp and returned at camper check-out. If a camper needs to call home during camp, there will be a phone available at the camp desk throughout the week.

2. **Clothing**  Two-piece bathing suits will not be allowed. Campers will be expected to wear an appropriate one-piece bathing suit or they will be expected to wear a shirt or tank top in a dark color over the two-piece. Modest dress is expected at camp. **Campers wearing SHORT shorts (shorter than finger tips when arms are hanging at sides), spaghetti straps, strapless, or halter tops will be asked to change.**

3. **Curfew**  Due to safety concerns, youth leaving their cabins after curfew will not be tolerated. If campers are caught, they will be sent home immediately at their parent’s/guardian’s expense.

4. **Behavior**  Inappropriate behavior at camp will be dealt with by camp leadership. Serious infractions will result in a phone call home to parent or guardian and potential dismissal from camp. (Note: No guys in or near girl’s facilities and vice versa)

5. **Camp Property**  Please respect the facilities and ground at camp. Help our Camp Manager keep things in order. Any damages will be paid for by those responsible.

6. **The Schedule**  Campers are expected to attend all scheduled events. Only the director/administrator or First Aid can give permission to miss any service or activity. Only the director/administrator can give permission to leave the camp grounds. Campers cannot be checked in and out of camp.

7. **Registration**  Campers must be registered and be wearing their wristband at all times to participate in all activities. ONLY evening sessions will be open to visitors. All visitors are required to check-in at the front desk before attending evening sessions. Visitors will be able to stay for the fellowship time after the evening sessions but will be expected to leave the camp when the campers head to their cabins.

8. **Distribution of Non-Prescription Medication**  We are not legally able to provide your camper with medication such as Tylenol, Advil, Aspirin, etc. If you anticipate your camper needing to take this medication please provide your camper with their own supply.

9. **Smoking/Drugs/Alcohol**  Although for most campers smoking is not an issue, we do understand that some campers have made the lifestyle choice to smoke. During camp campers will not be allowed to smoke. (Please plan ahead if this will be an area of concern for you). In addition to this, there will be a zero tolerance policy for alcohol and illegal drugs onsite. If a camper is caught with these substances, they will immediately be sent home.

If you have any questions or concerns please feel free to email us at [info@abnwt.com](mailto:info@abnwt.com) or call 780-426-0018.
